

## Privacy Policy

We are committed to protecting your privacy.

We will never collect any information from you without your consent.

If your application is joint or associated, we will also need their details and by providing them you will have to confirm their knowledge of this enquiry.

We do not fund any applications.

We do not perform any credit checks.

We are an intermediary who will be collecting information to assist your application which must include: your full name, date of birth, address history, phone numbers and email address.

We will then share data with our regular group of funders. The funder may need to do their own credit and identification checks including the electoral roll. Their searches may be shared with any other lenders to help prevent any fraud information and keep your financial profile up to date.

Any information collected will not be used for any email marketing.

Only information that concludes with a financial contract starting will be retained on our own systems which are on a secured basis in accordance internal security policy and the law.

Any information that is collected that does not complete a finance contract will be destroyed under the same policy.

We are licenced to perform our duties by The Finance Conduct Authority (licence Number 716640)
